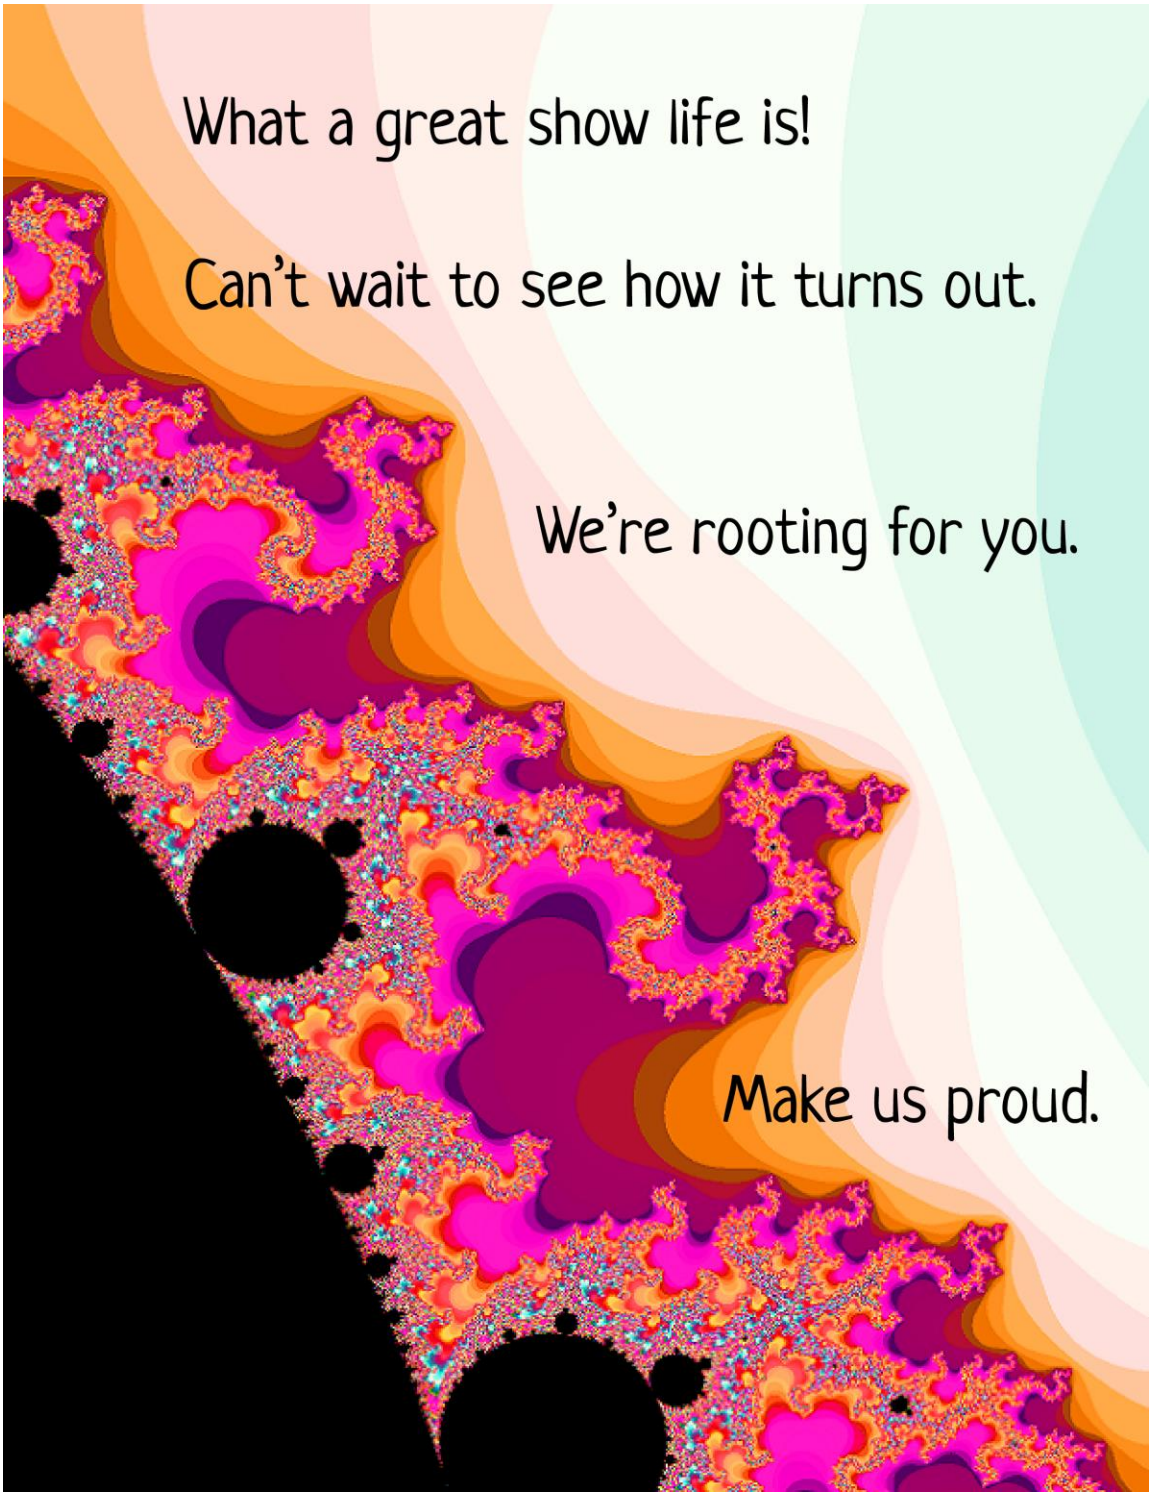
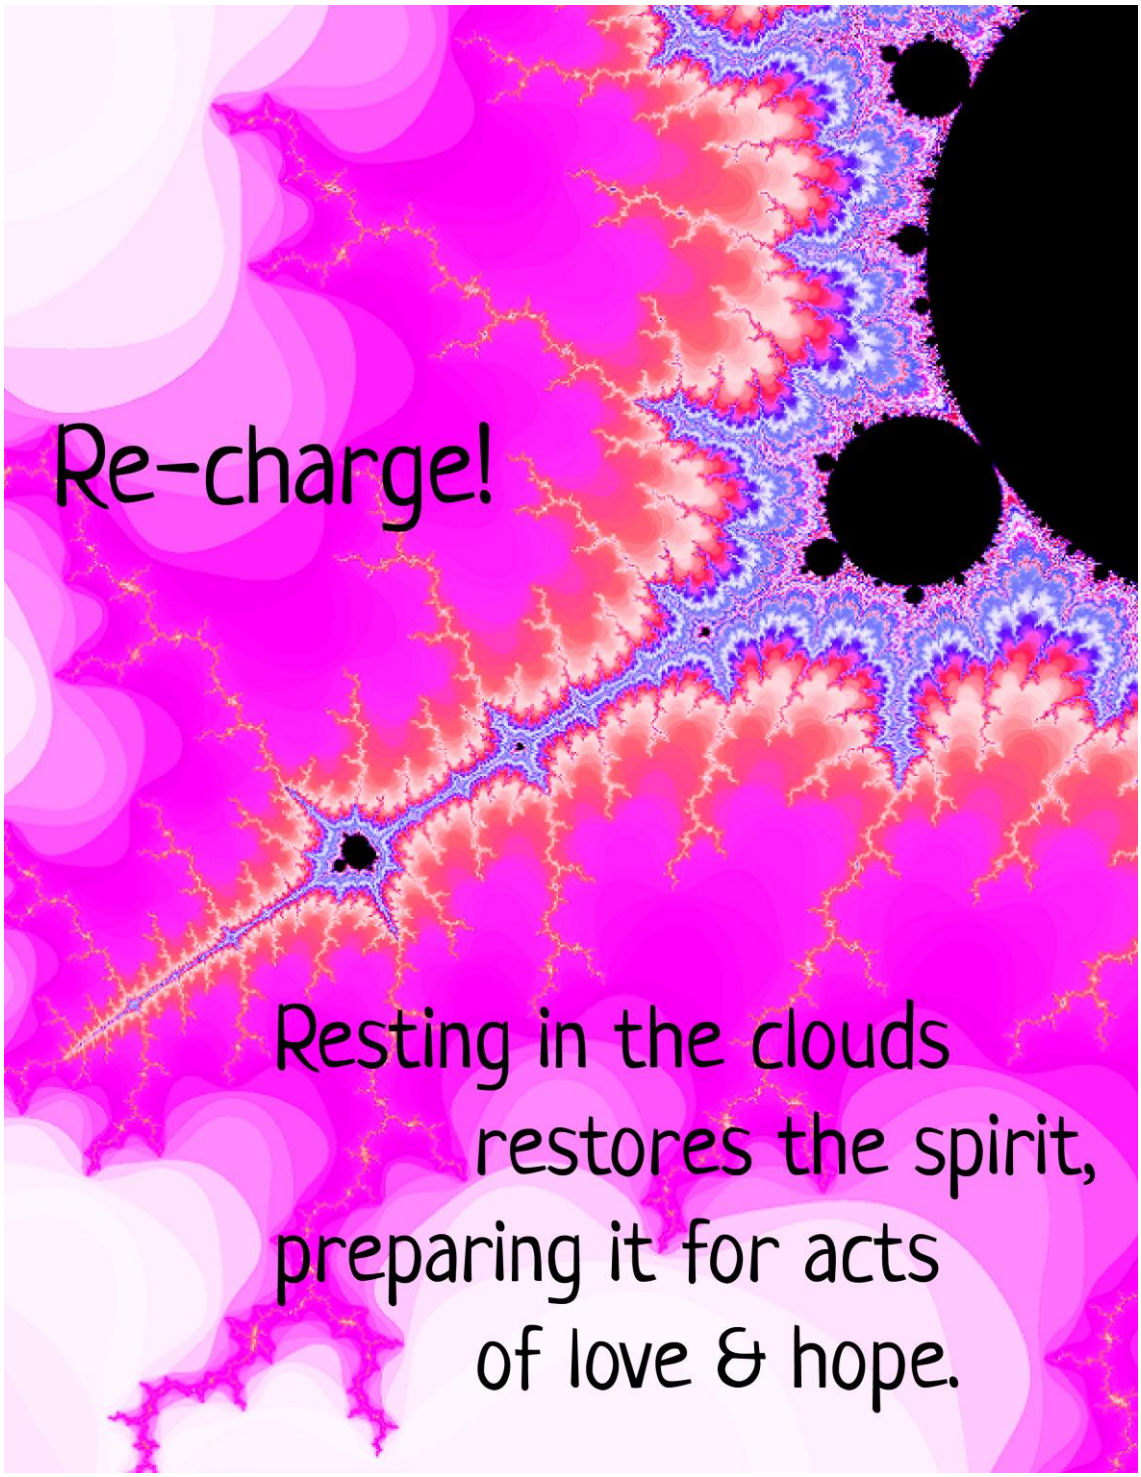
poetry & fractals

Splendiferous notions are here!
You only need to open your heart.

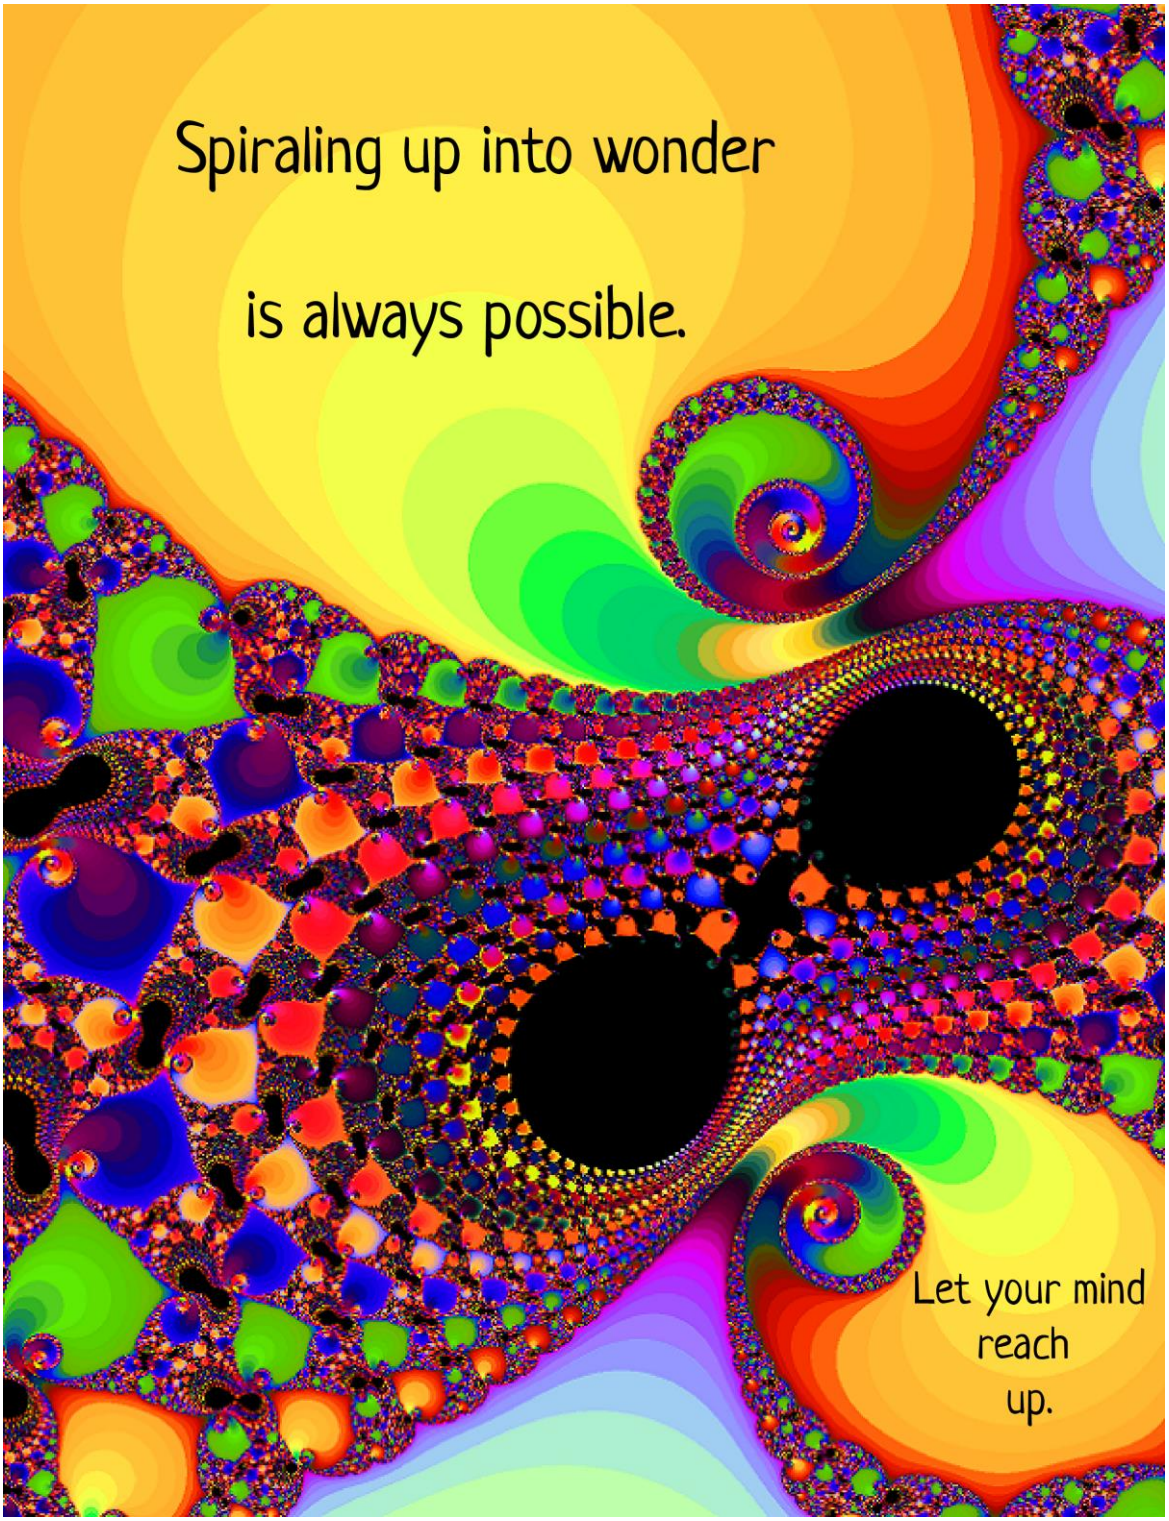
I'm building a ladder
of consciousness.
I'm climbing up to meet myself
on the other side.



What a great show life is!
Can't wait to see how it turns out.
We're rooting for you.
Make us proud.



Re-charge!
Resting in the clouds
restores the spirit,
preparing it for acts
of love & hope.



Spiraling up into wonder
is always possible.
Let your mind
reach
up.

Stars shine
when they sing
the soul
awake.

Eye will see the rest
when I understand the test.

The state of acceptance
is the beginning of joy.

Create a country in your heart
Where all are free

and you will liberate
everyone you meet.

Your flag is woven
within your spirit.
